## **ATTACHMENT B-29**

### **SUPPLIER PRODUCT ASSURANCE REQUIREMENTS**

Parts and materials supplied under this purchase order may contain RoHS parts or which may contain pure tin. The vendor shall ensure the parts supplied do not contain the following prohibited materials that can either sublimate in a vacuum or cause a health hazard to humans:

- 1) cadmium, zinc, selenium, unless internal to hermetically sealed devices,
- 2) mercury, or
- 3) bismuth.

Prohibited Materials testing (PMT) shall be performed at BEI Precision incoming inspection on all delivered mechanical, electro-mechanical and electronic parts to ensure compliance with this Supplier Product Assurance Requirement (SPAR). At a minimum, PMT shall be performed per MIL-STD-1580, Requirement 9 with the material exceptions stated in this SPAR. The presence of pure tin shall not be cause for rejection.

Verification of materials by PMT by BEI Precision do not relieve the vendor of its obligation to furnish items free from the prohibited materials or meeting the applicable drawing or specification.
